

## Case Study: Residential

---

**Client:** Private client

**Location:** Horsham, West Sussex

### Summary:

This new build, near Horsham in West Sussex, is one of the largest homes to feature on Grand Designs. The single-storey house is minimalist in its construction, rectangular in form and covers almost 6,000 sq. ft. – sufficient space for 7 average sized homes. The property is 60 metres in length and constructed of steel, granite, porcelain cladding and an immense expanse of glass.
