

Case Study: Retail

- Client:** Sandals
- Location:** 135 Fulham Road, London SW3
- Contractor:** ODB Group

Summary:

Stroma Building Control (formerly Greendoor Building Control) has worked with ODB group for over 10 years. We work as a team to successfully deliver high quality fit-out work nationally, whether the fit-out is an office or nuclear bunker.

We provided the Building Control for Sandals' first ever high street retail experience in the heart of London.

The new 5,000 sq. ft. store was designed to provide an interactive experience through a range of educational and sensory experiences.
